9 DUANE REITZ,

Case No. 3:16-cv-00011-MMD-VPC

10 Plaintiff,

SCREENING ORDER

11 v.

12 DOUGLAS GILLESPI, et al.,

13 Defendants.

14  
15 Plaintiff, who is a prisoner in the custody of the Nevada Department of  
16 Corrections ("NDOC"), has submitted an amended civil rights complaint pursuant to 42  
17 U.S.C. § 1983 and has filed an application to proceed *in forma pauperis*. (ECF No. 11,  
18 7.) The Court now screens Plaintiff's amended civil rights complaint pursuant to 28  
19 U.S.C. § 1915A.

20 **I. SCREENING STANDARD**

21 Federal courts must conduct a preliminary screening in any case in which a  
22 prisoner seeks redress from a governmental entity or officer or employee of a  
23 governmental entity. See 28 U.S.C. § 1915A(a). In its review, the court must identify any  
24 cognizable claims and dismiss any claims that are frivolous, malicious, fail to state a  
25 claim upon which relief may be granted or seek monetary relief from a defendant who is  
26 immune from such relief. See 28 U.S.C. § 1915A(b)(1),(2). *Pro se* pleadings, however,  
27 must be liberally construed. *Balistreri v. Pacifica Police Dep't*, 901 F.2d 696, 699 (9th  
28 Cir. 1990). To state a claim under 42 U.S.C. § 1983, a plaintiff must allege two essential

1 elements: (1) the violation of a right secured by the Constitution or laws of the United  
2 States, and (2) that the alleged violation was committed by a person acting under color  
3 of state law. See *West v. Atkins*, 487 U.S. 42, 48 (1988).

4 In addition to the screening requirements under § 1915A, pursuant to the Prison  
5 Litigation Reform Act (PLRA), a federal court must dismiss a prisoner's claim, if "the  
6 allegation of poverty is untrue," or if the action "is frivolous or malicious, fails to state a  
7 claim on which relief may be granted, or seeks monetary relief against a defendant who  
8 is immune from such relief." 28 U.S.C. § 1915(e)(2). Dismissal of a complaint for failure  
9 to state a claim upon which relief can be granted is provided for in Federal Rule of Civil  
10 Procedure 12(b)(6), and the court applies the same standard under § 1915 when  
11 reviewing the adequacy of a complaint or an amended complaint. When a court  
12 dismisses a complaint under § 1915(e), the plaintiff should be given leave to amend the  
13 complaint with directions as to curing its deficiencies, unless it is clear from the face of  
14 the complaint that the deficiencies could not be cured by amendment. See *Cato v.*  
15 *United States*, 70 F.3d 1103, 1106 (9th Cir. 1995).

16 Review under Rule 12(b)(6) is essentially a ruling on a question of law. See  
17 *Chappel v. Lab. Corp. of America*, 232 F.3d 719, 723 (9th Cir. 2000). Dismissal for  
18 failure to state a claim is proper only if it is clear that the plaintiff cannot prove any set of  
19 facts in support of the claim that would entitle him or her to relief. See *Morley v. Walker*,  
20 175 F.3d 756, 759 (9th Cir. 1999). In making this determination, the court takes as true  
21 all allegations of material fact stated in the complaint, and the court construes them in  
22 the light most favorable to the plaintiff. See *Warshaw v. Xoma Corp.*, 74 F.3d 955, 957  
23 (9th Cir. 1996). Allegations of a *pro se* complainant are held to less stringent standards  
24 than formal pleadings drafted by lawyers. See *Hughes v. Rowe*, 449 U.S. 5, 9 (1980).  
25 While the standard under Rule 12(b)(6) does not require detailed factual allegations, a  
26 plaintiff must provide more than mere labels and conclusions. *Bell Atlantic Corp. v.*  
27 *Twombly*, 550 U.S. 544, 555 (2007). A formulaic recitation of the elements of a cause of  
28 action is insufficient. *Id.*

1       Additionally, a reviewing court should “begin by identifying pleadings [allegations]  
 2 that, because they are no more than mere conclusions, are not entitled to the  
 3 assumption of truth.” *Ashcroft v. Iqbal*, 556 U.S. 662, 679 (2009). “While legal  
 4 conclusions can provide the framework of a complaint, they must be supported with  
 5 factual allegations.” *Id.* “When there are well-pleaded factual allegations, a court should  
 6 assume their veracity and then determine whether they plausibly give rise to an  
 7 entitlement to relief.” *Id.* “Determining whether a complaint states a plausible claim for  
 8 relief . . . [is] a context-specific task that requires the reviewing court to draw on its  
 9 judicial experience and common sense.” *Id.*

10       Finally, all or part of a complaint filed by a prisoner may therefore be dismissed  
 11 *sua sponte* if the prisoner’s claims lack an arguable basis either in law or in fact. This  
 12 includes claims based on legal conclusions that are untenable (e.g., claims against  
 13 defendants who are immune from suit or claims of infringement of a legal interest which  
 14 clearly does not exist), as well as claims based on fanciful factual allegations (e.g.,  
 15 fantastic or delusional scenarios). See *Neitzke v. Williams*, 490 U.S. 319, 327-28  
 16 (1989); see also *McKeever v. Block*, 932 F.2d 795, 798 (9th Cir. 1991).

17 **II. SCREENING OF AMENDED COMPLAINT**

18       Plaintiff sues multiple defendants for events that occurred at Clark County  
 19 Detention Center (“CCDC”) and High Desert State Prison (“HDSP”). (ECF No. 11 at 1-  
 20 4.) Plaintiff sues Defendants Douglas Gillespi, John Doe, R. Strader, D. Freeman,  
 21 James McLane, Dr. Zinser, Dwight Neven, and Dr. Sanchez. (*Id.*) Plaintiff alleges five  
 22 counts and seeks monetary damages. (*Id.* at 6-17.)

23       Upon review of Plaintiff’s amended complaint, it appears that Plaintiff has filed his  
 24 original complaint with minor additions made on a few pages. With the exception of  
 25 these noted additions, the amended complaint is a verbatim recitation of the original  
 26 complaint that the Court dismissed for failure to state a claim. (Cf. ECF No. 1 and ECF  
 27 No. 11.) One such addition is at the bottom of page 5, where Plaintiff has written:  
 28 “Defendants are classified by location of violation “a” - arrest/transport; “b”- CCDC; “c”-

1 HDSP. 1) Deft's Gillespi, Strader, Freeman of Las Vegas Metro Police Dept - ("a"  
 2 Defts). 2) Deft's James McLane, Dr. Zinser of Naphcare, Inc. - ("b" Defts). 3) Deft's  
 3 Nevens and Dr. Zinser violated Pltf's rights and have the same type of complaints and  
 4 violations as outlined in McLane and Dr. Zinser." (ECF No. 11 at 5.)

5 In the Court's first screening order entered June 27, 2016, the Court discussed  
 6 Plaintiff's grouping of defendants into groups A, B, and C and stated: "[D]escribing the  
 7 actions of the defendants by grouping them together is improper for identification of *who*  
 8 committed the alleged constitutional violations. Particularly with respect to supervisory  
 9 defendants, allegations must be made that show their *personal* participation in the  
 10 alleged conduct. The Court . . . advises that upon amendment, Plaintiff must detail what  
 11 each defendant, *by name*, did to violate his constitutional rights." (ECF No. 10 at 6  
 12 (emphasis in original.))

13 Plaintiff has not cured the deficiencies identified in his complaint. Merely adding a  
 14 few paragraphs to clarify *how* he has grouped the defendants is not sufficient for  
 15 identifying who specifically committed the alleged constitutional violations. Liability  
 16 under section 1983 arises only upon a showing of personal participation by the  
 17 defendant. *Fayle v. Stapley*, 607 F.2d 858, 862 (9th Cir.1979). Vague and conclusory  
 18 allegations of official participation in civil rights violations are not sufficient. See *Ivey v.*  
 19 *Board of Regents of Univ. of Alaska*, 673 F.2d 266, 268 (9th Cir. 1982).

20 Plaintiff has again failed to identify which specific defendants were responsible  
 21 for the alleged deliberate indifference to his seizures and broken leg. (See ECF No. 10  
 22 at 7.) The Court specifically advised Plaintiff that grouping the defendants in the manner  
 23 he did was improper for identifying who committed the alleged constitutional violations.  
 24 (*Id.* at 6.) Plaintiff did not cure these deficiencies upon amendment. Other than adding a  
 25 few paragraphs restating which defendants were in which group (A, B or C), Plaintiff's  
 26 amended complaint is identical to his first, insufficient, complaint.

27 The Court dismisses Plaintiff's amended complaint, without prejudice, but without  
 28 leave to amend. The Court has already directed Plaintiff to amend his complaint once

1 and Plaintiff's amended complaint is a copy of his first complaint with a additional few  
2 paragraphs. The Court specifically identified that the major deficiency with Plaintiff's  
3 initial complaint was that he grouped the defendants together and did not identify them  
4 individually in his complaint. Without identifying them by name, the Court could not  
5 properly screen the complaint to determine who personally participated in the alleged  
6 violations. That inadequacy has not been remedied upon amendment. The Court was  
7 clear in its first screening order that "Plaintiff must detail what each defendant, *by name*,  
8 did to violate his constitutional rights" and Plaintiff's amended complaint does not show  
9 that Plaintiff even made a legitimate attempt to comply with the Court's directive.  
10 Accordingly, Plaintiff's amended complaint is dismissed in its entirety, without prejudice,  
11 and without leave to amend.

12 **III. CONCLUSION**

13 For the foregoing reasons, it is ordered that Plaintiff's application to proceed *in*  
14 *forma pauperis* (ECF 7) is denied as moot.

15 It is further ordered that Plaintiff's amended complaint (ECF No. 11) is dismissed  
16 in its entirety, without prejudice.

17 It is further ordered that the Clerk of the Court close this case..

18 It is further ordered that this Court certifies that any *in forma pauperis* appeal  
19 from this order would not be taken "in good faith" pursuant to 28 U.S.C. § 1915(a)(3).

20 DATED THIS 8<sup>th</sup> day of September 2016.
